No.S.1110/44-45 Office of the Muzrai Commissioner in Mysore
Enclosure one Bangalore, 17th May 1945.

To

Mahomed Ismail Sheriff, Esq., B.A.,
General Secretary to the Government
of Mysore, Bangalore.

Sir,

Renovation of Sri Amriteswaraswamy and Sri Bill Swarasw
Temples at Ajjur, Chickmagalur Taluq.

I have the honor to invite a reference to your letter R.6885/Muz.214-44-2 dated 1st May 1944, calling for a report of action taken for expediting the above work.

2) The marginally noted two estimates for this work, were sanctioned
1) Repairs to Sri Amriteswaraswamy Temple .. Rs 2,216 in this office
2) " " Billeswaraswamy " .. " 851
Order No. Dis. S.1605/40-44 dated 20th March 1944, and the Deputy Commissioner, Kadur District, was requested to get the works executed under the supervision of the A.E.E.

3 The Deputy Commissioner, in his letter No.AC-C.3144/40-41 dated 22nd April 1945 (copy enclosed), reports that the Executive Engineer, Kadur Division, to whom the work was entrusted for execution, forwarded two revised estimates for Rs 3707 and Rs 1000, with a request that the cost of these revised estimates might be arranged to be placed at his disposal, and informally stated, though tenders were called for twice, no contractor came forward to take up these works, and that the revised estimates had been prepared as per quotations given by a military contractor who had offered to take up the work at the instance of the villagers.

4) In order to provide for the additional funds required as per revised estimates, the Deputy Commissioner has recommended, among other things, sanction for the sale of the 4% State Loan bonds of the value of Rs 1,000 now held by the institution.

5) The institution had, originally, at its credit, 4% State Loan bonds of the value of Rs 3,000, and from out of the bonds of the value of Rs 2,000 were sold as per G.O.No.R.3871-76/Muz.214-44-2 dated 9th March 1944 to supplement the funds at the credit of the temple in meeting the cost of the repairs, as originally estimated.

6) To meet the increased cost necessitated by the revised es
the Deputy Commissioner recommends that 4% bonds of the value of
s 1,000 might be permitted to be disposed of, and the proceeds uti
for meeting the cost of the repairs in question.

7) I agree with the Deputy Commissioner, and request that sanction
of Government may be kindly obtained to the proposal.

8) The Deputy Commissioner has, further, recommended for a grant of
s 600 for this work. As the current year's allotment out of the State
and General Muzrai funds for construction and repairs of Muzrai Institu-
tions has been almost ~~exhausted~~ exhausted, certain other proposals, suggesting ways
and means for meeting the cost of the two revised estimates have been
sent to the Deputy Commissioner, for furnishing his views thereon.

9) On receipt of Government orders, regarding the sale of the bonds
of the value of s 1,000, as now proposed, the revised estimates will
be sanctioned by me, and the Deputy Commissioner will be requested to
get the works executed early, through the P.W.D.

Sir,
Your most obedient servant,

GOVERNMENT OF MYSORE

No. C.O.5144/40-41 OFFICE OF the Deputy Commissioner,
Encls. Kadur District, Chikmagalur.

Date 23rd April 1945.

To

The Muzrai Commissioner

in Mysore, Bangalore.

Sir,

Subject: Repairs to Sri Amritoswaraswami and Billoswaraswamy temples at Anur, Western Hobli, Chikmagalur Taluk.

..

Adverting to your order No.D.Dis.S.1305/43-44 dated the 20th March 1944, sanctioning the marginally noted estimates for repairs to the above temples, I have the honour to state that the Executive Engineer, Kadur Division, Chikmagalur, to whom the works were entrusted for execution had sent revised estimates for Rs.3767 and Rs.1650/- respectively stating that no contractor came forward to take up these works though tenders were called for twice (vide his letter No.258 dated 1-12-44).

1. Repairs to Sri Amritoswaraswamy Temple. .. Rs.2218/-
2. Repairs to Billoswaraswamy Temple. .. Rs. 851/-

The Sub Division Officer, Chikmagalur Sub Division to whom the revised estimates were sent for report regarding the ways and means of meeting the excess cost of Rs.2230/- over the total amount of the sanctioned estimates, has reported in his memo No.S.O.398/41-42 dated the 17th March 1945 that a sum of Rs.3,000/- invested in the 4 % State Loan may be utilised for the above works, that the income of the temple is just sufficient to meet the Mitya-katle and Naichukathie expenses and that a recommendation may be made for giving tools and plant charges as a special case, and for meeting the balance of the estimated cost from the General Muzrai Funds, as the institution is an ancient temple situated in the interior of Malnad and as it has suffered much owing to loss of jewels in 1930-31.

In this connection I write to state that out of 4% State Loan Bonds of the value of Rs.3,000/- held by the Institution only the proceeds to be realised by the sale of loan bonds of the value of Rs.2000 are ordered to be utilised for meeting the cost of these works, in your order No.Dis.1305/43-41 dated 20-3-44. If the remaining loan bonds of Rs.1000 are also sold the amount that will be realised thereby will be Rs.1230/-. The sale value of the bonds is taken as 123% as bonds to the value of Rs.2000 have been sold by the Comptroller at 123.2% and a Trust Payment Order for Rs.2467-10-4 has been received from him with his letter No.1827 dated 6-4-44. If the establishment, tools and plants charges amounting to Rs.467/- are also waived and if the realisation from the sale of loan bonds of Rs.1000 is also utilised for the works, a sum of Rs.571/- will still be required to make up the deficit.

In these circumstances, I request you kindly to waive the establishment tools and plants charges and accord sanction to the sale of the remaining 4 % loan bonds for of Rs.1000/- and obtain a grant of Rs.600/- from the Government Funds for meeting the balance of the estimated cost.

The connected records are also enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

for Deputy Commissioner,
Kolar District.
